Dale Warland Singers Commission Award

DESCRIPTION

The Dale Warland Singers Commission Award is presented by Chorus America in partnership with the American Composers Forum. The award recognizes a chorus entering into an artistically meaningful and mutually beneficial partnership with a composer of their choice to contribute a new work to the choral repertoire.

Choruses will apply for the award in partnership with a composer of their choice for a specified commission project.

The award is made possible by the Dale Warland Singers Fund for New Choral Music, a permanently restricted endowment fund established in 2004 to honor Dale and the Singers. The Dale Warland Singers Commission Award was created in 2008.

This award reflects Chorus America’s and the American Composers Forum’s commitment to modeling equitable compensation practices for the field. The winning chorus will receive a cash award of $10,000. $7,500 of the award is designated towards the commissioning fee (paid to the composer) and $2,500 is designated towards travel to support in-person engagement with the project composer, production costs to present the project, and promotion costs for the concert and work. It is the responsibility of the chorus to reimburse the composer within ten days of receiving the award. The new work must be premiered by the chorus within two years after receiving the award.
