

Chorus America Distinguished Service Award

DESCRIPTION

The Distinguished Service Award is given by Chorus America to a member whose long-term service to the choral field is judged to have significantly furthered Chorus America's mission "to empower singing ensembles to create vibrant communities and effect meaningful change by offering services that promote artistic achievement, organizational strength, and advocacy."

The Distinguished Service Award is given at the discretion of the officers and may not be given every year.

ELIGIBILITY

Nominees must be members of Chorus America. The nominee's contributions may have been made in either a professional or volunteer capacity but should have an impact on the national scale, above and beyond a local community. An individual may receive this award only once.

DEADLINE AND HOW TO APPLY

The deadline to submit via the Chorus America Application Portal is Thursday, January 23, 2020 at 5PM ET.

Nominations are solicited from the entire Chorus America membership. Self-nominations are not accepted. Letters of nomination must be written by an individual member or by a representative of a chorus member organization of Chorus America.

The letter of nomination should be no longer than five pages and should include:

- A curriculum vitae for the nominee
- A statement outlining specific achievements that qualify the individual for consideration

Additionally, three letters of recommendation in support of the nominee are required. The request for these letters is sent as part of the application in CAAP. Recommenders who receive the request then upload the letters directly into the CAAP system using their own login.

Applications will only be accepted through CAAP: apply.chorusamerica.org.
